SAGE Days 2 Workshop
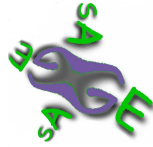

Organizers: William Stein
              Dept. of Math., Univ. of Washington,
              wstein@gmail.com
              David Joyner
              Dept. of Math., USNA
              wdj@usna.edu

SAGE Days 2 will be at University of Washington, Seattle on the weekend of October 7-8. The talks and discussion will be on the weekend. However, there will be "coding sprints" starting a day before (on Friday) and ending on the following Tuesday, which some subset of participants may optionally attend. Tentative schedule:

October 6 (Friday):	coding sprints / SAGE tutorials
October 7 (Saturday):	talks / discussion / session of lightning talks
October 8 (Sunday):	talks / discussion
October 9 (Monday):	coding sprints
October 10 (Tuesday):	coding sprints; wrap-up talks on sprints

Funding: Some number of participants can be funded. Please email William Stein to request travel funds.

Directions to Padelford Hall coming from the south via I-5 northbound: From I-5 northbound, take exit 168B (Bellevue/Kirkland) to State Route 520. Take the first exit off SR520; the sign will point to Montlake Boulevard NE. Turn left into Montlake Blvd. and continue north past Husky Stadium. Move over to the right and take the 3rd right after the Stadium. Park in lot E1. It will cost $ 4 (a machine takes ones and fives). Park your car and walk over the overpass and up the hill. Look for the Math Dept at the top of the hill.
